Headteacher's Message

Dear Parents and Carers,

Open Evening

Firstly, this week's newsletter is our final opportunity to invite families of Year 5 and 6 children to our face-to-face open evening next Thursday. We look forward to seeing you all

A Great Start for Year 7

This week's newsletter includes an article from our Head of Year 7, Miss Wishart, who has been speaking to Year 7 students about their transition into Notre Dame, their summer school experience and how they have settled in to 'big' school. We were delighted to find out that 99% of students said they felt happy and excited to be at Notre Dame and I would like to echo Miss Wishart's congratulations to Year 7 on the amazing start they have made – keep it up!

Student Leadership Opportunities

Our theme for this week has been ***Faith and Works***. This has allowed students to reflect on how their actions and deeds reflect their faith and our core values. St. Julie said 'True virtue always shows a community spirit.' (Letter 145) and in this week's assemblies, Mrs Costello informed students of the various ways they can contribute to their school community. Our student leadership programme provides **all** students with an opportunity give something back to their school community, develop their own confidence and help those around them. All students have been provided with application forms to complete and submit to Mrs Costello no later than **Monday 4th October**.

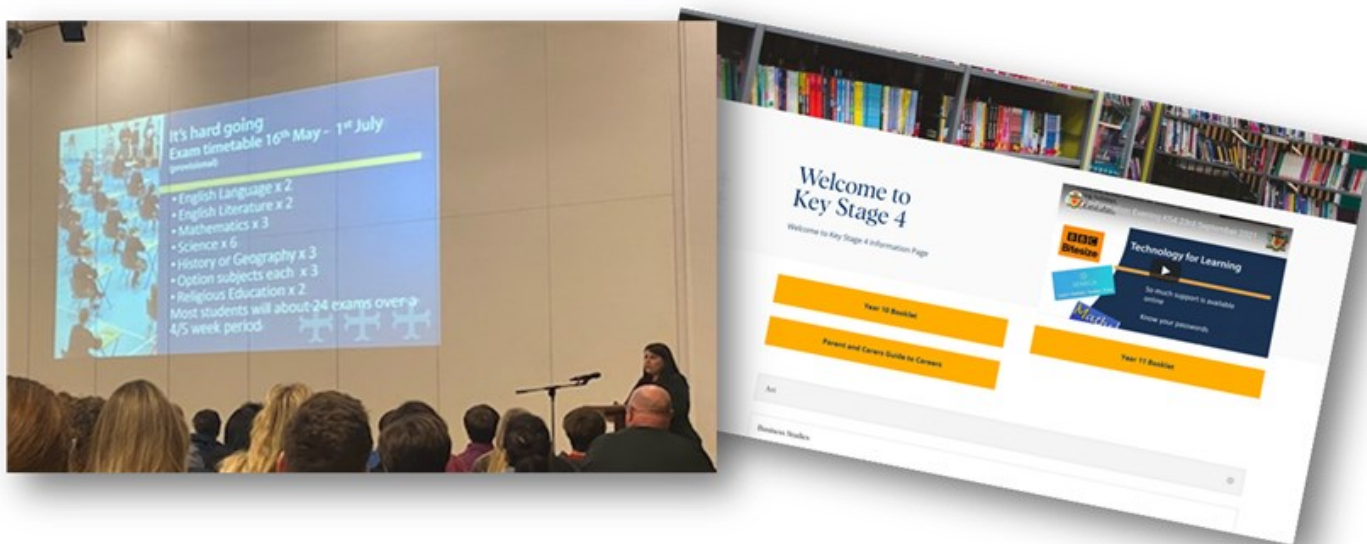

Vaccinations

Earlier in the week, we distributed a letter from the school-based immunisations service. We received some feedback that the hyperlink at the bottom of the letter did not work. If your child is between 12 and 15 years old, please click <https://forms.merseycare.nhs.uk/covid-19-vaccination/> to access the electronic consent form no later than **midnight on Sunday 26th September**.

Continued.....

Key Stage 4 Parents' Information Evening

Finally, we would like to thank parents of Years 10 and 11 who joined us last night for our Key Stage 4 parents' information evening in which parents heard from Mrs Thomas, our Senior Assistant Headteacher, and our curriculum leaders for English, Maths and Science. The evening provided parents and carers with the information needed to fully support your children in achieving their full potential in the forthcoming examinations. All of the materials, presentations and links to resources can now be accessed on the school website at <https://www.notredameliverpool.com/welcome-to-key-stage-4/>. Thank you to all staff who contributed to the evening and thank you to every parent who attended – it was great to have you all back in the building!

We wish every Notre Dame family a peaceful and safe weekend.

Mr Duffy
Headteacher

NHS COVID VACCINATIONS

Mersey Care NHS Foundation Trust
Liverpool Immunisation Team
Lifehouse Summers Road
Brunswick Business Park
Liverpool L3 4BL

0151 295 3833

Dear Parents/carers

This autumn all children aged 12 to 15 years are being offered the first dose of the COVID-19 vaccination.

Vaccinating children should help to reduce the need for children to have time off school and to reduce the risk of spread of COVID-19 within schools. The COVID-19 vaccination programme in secondary schools will therefore provide protection to children who are vaccinated and help to reduce disruption to face to face education this winter.

Please click on the below to see further information from the Immunisation team and access your child's electronic consent form.

We kindly request you could complete this before Midnight Sunday 26/09/2021 to support campaign planning

<https://forms.merseycare.nhs.uk/covid-19-vaccination/>

Many Thanks,

School based immunisation services

DATES FOR YOUR DIARY

Year 5 and 6 Open Evening

On Thursday 30th September, we welcome parents of children in Years 5 and 6 to join us for a face-to-face open evening from 6.00pm until 8.00pm. There will be a presentation from the headteacher and other college leaders (delivered at 6.00pm and repeated at 7.00pm), an opportunity to view our first-class facilities, meet staff and to visit individual departments. We look forward to seeing you all.

Year 10 and 11 Careers Provider Event

Friday 1st October is an INSET training day for staff and students are not in school. However, on that day, we will also be hosting a post-16 provider event for students in Years 10 and 11. The event will allow students to speak to a wide range of Further Education providers including colleges, apprenticeship and training providers and, of course, our own Sixth Form College. Details of the staggered arrival times has been sent to parents of Year 10 and 11 from our Careers Leader and Adviser, Mrs Hall.

RETURN TO SCHOOL

Children and young people across Liverpool will be returning to classrooms from Wednesday, 1 September.

As well as excitement, after the upheaval of the last 18 months there may also be some confusion and anxiety about what current Covid guidance means for the new school year.

Schools have been communicating directly with families and carers and keeping their individual websites updated and should always be the first place to go for advice about plans for getting back into the classroom.

However, we have put together the following frequently asked questions to answer some of the general questions about going back to school...

How do the [self-isolation changes of 16 August](#) affect school attendance?

If children and young people (aged 18 years & 6 months and under) have not tested positive for Covid, and they are not otherwise ill they are expected to be in school.

Anyone aged under 18 and 6 months who has been a close contact of someone who has tested positive is no longer required to self-isolate unless the child also has symptoms. They are advised to take a PCR test but they do not have to isolate whilst they wait for the results.

Students who are aged 18 years & 6 months and over will be treated as adults under the guidance and will not be expected to self-isolate if they have had a close contact provided they have received both Covid vaccinations and 14 days have passed since the second dose.

You can find out where drop-in Covid vaccination clinics are on [Liverpool CCG's website](#).

I think my child has Covid, what should I do?

If your child has symptoms, [please book a PCR test](#) and isolate until you have the results. If you receive a positive test result the child should self-isolate following the national guidance. If you need support whilst your family is self-isolating there is information on the [council's website](#).

Will children still be expected to take lateral flow tests (LFTs)?

Testing is voluntary, but it is encouraged as it is still one of the best ways to break the chain of infection.

We're encouraging secondary school pupils to take an LFT **before** they return to school.

When schools return, government guidance will be followed:

Nursery and primary school children – Do not need to take LFTs.

Secondary school pupils and college students – In the first week of term, two LFTs will be taken at school three to five days apart. In following weeks, two LFTs to be taken at home each week until the end of September.

Will testing continue after the end of September?

There will be a national review of all testing in September 2021 and this will inform the role of testing in school and other settings

What should I do if my child has a positive result on a lateral flow test?

They should self-isolate immediately and you should arrange a PCR test as soon as possible. <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

Other members of the household do not need to self-isolate whilst you await the PCR test result if they do not have symptoms and are aged under 18 years or are fully vaccinated.

Will pupils still be part of bubbles?

Bubbles were introduced to limit contact between groups. Schools are no longer required to do this, but they may be considered if there is an outbreak at the school.

What happens if there are positive cases in schools?

All schools and colleges are required to have outbreak management plans. Action may need to be taken if certain thresholds are met. If risks change significantly the Director of Public Health is able to implement further or different measures to protect population health.

Will school continue to inform us if there are positive cases in school?

Public Health England are currently advising schools that it is not necessary to send *warn and inform* letters for each pupil case. Parents will be informed if additional controls from the outbreak management plan need to be put in place.

Meanwhile schools will continue to maintain COVID prevention measures. This includes maximising ventilation, encouraging good hygiene, thorough cleaning and ensuring that anyone with COVID symptoms or positive test results do not come in to school.

Will children be made to have a vaccination?

No-one will be made to have a vaccination, but having both doses of the vaccination is still the best way of preventing people from becoming very ill with Covid-19.

The national vaccination programme is now open to anyone aged 16 and over. Sixteen and 17-year-olds will be contacted by their GPs and are not able to book vaccinations online.

I would like my child to have a vaccination as there is someone in my household who is vulnerable but my child is younger than 16.

Vaccinations are being offered to 12-15-year-olds if they have an underlying health condition or if someone they live with is immunosuppressed. You should speak to your child's GP.

Will my child have to wear a face covering in the classroom?

Guidance states that face coverings do not need to be worn in the classroom. But if your child travels to school or college on public transport that is crowded and they can't socially distance it is a good idea to wear a face covering if they are able.

Parents are encouraged to wear face coverings at the school gates particularly if social distancing isn't possible.

Will normal school activities now be taking place?

Yes, activities such as sports, singing, playing wind or brass instruments, and going on trips and excursions are now allowed to take place.

My child is anxious about returning to school is there any support?

The last year and a half has been especially tough for our children and young people. If your child is worried about returning to the classroom please speak to the school in the first instance. They can also get help and advice online such as at www.kooth.com

FLU VACCINATIONS

0151 295 3833

Dear Parent/Guardian,

Your child's annual flu vaccination is due from September onwards

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

The vaccination is free and is a quick and simple spray up the nose. Even if your child had the vaccine last year, it is recommended that they have the flu vaccine again this year.

While COVID-19 is in circulation, the Healthcare team and school will follow guidelines to ensure children are safe when being offered the vaccine.

For further information about the vaccination programme please click on this link www.nhs.uk/child-flu as it provides details about the small number of children for whom the nasal vaccine is not appropriate.

Please follow the link emailed to you from school to complete your child's consent form even if you do not want your child to receive their flu vaccination.

If you have any queries or are unable to complete the online consent form, please contact the Immunisation Team: 0151 295 3833.

Yours faithfully

Immunisation Team

Intra Nasal Flu Vaccine Consent Form

PLEASE COMPLETE IN BLOCK CAPITALS

Child's full name (first name and surname):		
Home address and postcode:		
NHS number: (if known)	Date of birth:	School year:
Email address:	Ethnicity:	Ethnicity:
School:	Daytime contact telephone number for parent/guardian/carer:	
GP name and address:		

Has your child required oral steroids in the last 2 weeks to manage their asthma?*	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Does your child have a disease or treatment that severely affects their immune system? (e.g. treatment for Leukaemia)	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Is anyone in your family currently having treatment that severely affects their immune system? (e.g. they need to be kept in isolation)	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Does your child have a severe egg allergy? (needing intensive care)	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
Does your child take salicylate medication (Aspirin)?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

If you answered **YES** to any of the above, please give details the Immunisation team may contact you for further information. Please ensure you include a contact telephone number.

***Please inform the Immunisation team if your child's asthma deteriorates and you have had to increase their medication after you have returned this form, please call: 0151 295 3833**

NB. The nasal flu vaccine contains a highly processed form of gelatine derived from pigs (porcine gelatine). It is offered because it is more effective in the programme than an injected vaccine. This is because it is considered better at reducing the spread of flu to others and is easier to administer. Some people may not accept the use of porcine gelatine in medical products. You should discuss your options with the Immunisation team.

Consent for immunisation (please tick YES or NO and return form for either decision)

YES, I give consent for my child to be immunised with the nasal flu vaccine.

NO, I do not give consent for my child to be immunised with the nasal flu vaccine

ATTENDANCE & UNIFORM

Attendance and Punctuality

The school's attendance officer is Mrs P Shrimpton

From 3rd September 2021 all students are expected to attend school.

All students should arrive at school before 8:40 a.m. to ensure they have enough time to be at their form classes for 8:45 a.m. Parents/carers must ensure that students leave home in plenty of time to get to school on time.

Breakfast - Students are able to have breakfast in school after 8 a.m. in the lower canteen

Appointments - Please do not make medical / dental appointments for students during school hours. Any appointments during school time will only be authorised with a letter or appointment card.

Holidays - Term Dates are included in this newsletter - please do not book holidays during term times. Any holidays booked during term time will be unauthorised unless with the prior agreement of the headteacher.

Pastoral Team

If you need to speak to a member of the pastoral team you can contact them via class charts messages.

Mrs Brennan - Senior Assistant Headteacher

Mr McKeon - Leadership Team / Director of Behaviour

Mr Campbell - Leadership Team / Director of Behaviour

Year 7 - Head of Year - Miss Wishart Assistant Head of Year - Ms Glorman

Year 8 - Head of Year - Mr Appleton Assistant Head of Year - Mrs Doran

Year 9 - Head of Year - Mrs Crosslind Assistant Head of Year - Mrs Littleboy

Year 10 - Head of Year - Mr Bond Assistant Head of Year - Mrs Garvey

Year 11 - Head of Year - Mrs Smith Assistant Head of Year - Ms Lee

Uniform standards

Please find attached the appropriate shoe guidance which is part of our school uniform. Parents/carers were provided with a letter regarding uniform and the details of appropriate shoes in the summer term. The information is also available on the school website. If pupils come into school with the wrong footwear from Monday 6th September 2021 they will be given an alternative pair of shoes provided by school. Any queries please speak to your son/daughter's Head of Year.
